Open Education Initiative application

Applicant Information

Q1 Applicant name
________________________________________________________________

Q2 Email address
________________________________________________________________

Q3 Department(s)
________________________________________________________________

Q4 Co-application information (names, email addresses, and department(s))
________________________________________________________________
________________________________________________________________
________________________________________________________________

Course Information

Q5 Course number
________________________________________________________________

Q6 Course title
________________________________________________________________

Q7 Course description
________________________________________________________________
________________________________________________________________
________________________________________________________________
Q8 Course instructor(s)

____________________________________________________

Q9 Is this a new course?

☐ Yes

☐ No

Q10 List any programs for which this course is a requirement or elective.

____________________________________________________

____________________________________________________

____________________________________________________

____________________________________________________

____________________________________________________

____________________________________________________

Q12 When will this course be offered? Select all that apply.

☐ Fall 2019

☐ Winter 2020

☐ Spring 2020

☐ Summer 2020

Q13 Attach your syllabus here (optional).
Project Information

Q14 Briefly describe why you are interested in using open educational resources for this course. How would the use of open educational resources change this course? How will this change affect student engagement and learning?

________________________________________________________________
________________________________________________________________
________________________________________________________________

Q15 Please describe the number of sections of the course and number of students per section that would be affected by this project.

________________________________________________________________
________________________________________________________________
________________________________________________________________

Q16 Do you know of other Dartmouth instructors who would be interested in using these materials?

________________________________________________________________
________________________________________________________________
________________________________________________________________

Q17 Are you aware of any existing open educational resources that you might consider using for your course?

________________________________________________________________
________________________________________________________________
________________________________________________________________

Q18 What new open educational resources are you planning to create (if any)?

________________________________________________________________
________________________________________________________________
________________________________________________________________
Q19 What kind of support do you anticipate that you might need for this project (including identifying existing open educational resources, copyright and licensing guidance, course design support, technological support for working with or creating open educational resources, etc.)?

________________________________________________________________

________________________________________________________________

________________________________________________________________

Q20 If you are creating new educational materials, would you be willing to share any materials that you create with an open license in an open repository? If not, please explain.

________________________________________________________________
